10.45 Cyber Security and Digital Operational Resilience

✓ **Carlo Comporti**, Commissioner, ConSob

✓ **Karen Dorte Abelskov**, Deputy Director General, Finanstilsynet, Denmark;
Member, ESMA BoS

✓ **Moderator: Vassiliki Lazarakou**, Chair, Hellenic Capital Markets Commission

11.15 Incident Response with CrowdStrike

✓ **Theo Sbarounis**, Director, Specialist Sales – Professional Services &
Threat Intelligence – EMEA, CrowdStrike

11.35 Presentation

Risk transfer: Insuring clauses, where physical damage fits in, market trends, examples of claims

- ✓ **Lyndsey Bauer**, Partner, Cyber Product Leader, Paragon International, UK

12.00 Management of cybersecurity incidents: From theory to practice

Focus on the most common - perhaps the most dangerous in terms of consequences - categories of cyber security breach incidents (e.g. ransomware, mispostal, phishing & human risk) and tries, with practical examples, to help familiarize the participants with timely and effective response incidents of violation. The proposal also attempts to highlight the importance of transparency and disclosure of information about cyber security incidents to supervisory authorities and involved persons.

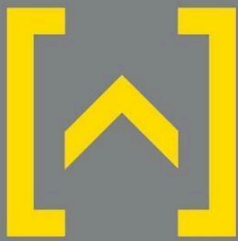

- ✓ **Grigoris Lazarakos**, Managing Partner, L&L Law Firm, ex alt. Member of the Hellenic Data Protection Authority
- ✓ **Theofilos Mylonas**, Chairman of the BoD, Association of Hellenic Information Technology Enterprises
- ✓ **Triantafyllos Karatrandos**, Senior Research Fellow, ELIAMEP
- ✓ **Stefanos Gritzalis**, Professor of Digital Systems, University of Piraeus; Member of the BoD, Hellenic Authority for Communication Security and Privacy (ADAE)
- ✓ **Lilian Mitrou**, Professor, University of the Aegean

- ✓ **Moderator: Yiannis Rizopoulos**, Journalist, NetWeek

12.50 Securing the data frontier. Balancing innovation, privacy and cyber security

- ✓ **Nodas Paschalidis**, CEO, Neurosoft
- ✓ **Vassilis Panagiotidis**, Senior Director, Hellenic Bank Association
- ✓ **George Tsinos**, CISO, Ethniki Insurance
- ✓ **Victoria Kalfaki**, Head of Public Sector, Greece & Cyprus, Google Cloud
